

The glass surface has been opacified to cast soft, pleasant, diffuse light over the entire room. Light shines directly downwards through a circular opening on bottom of the lamp to combine the soft room lighting with a subtle spotlight effect on the table. The height of the illuminant in the lamp ensures that people sitting at the table are not dazzled by glare.

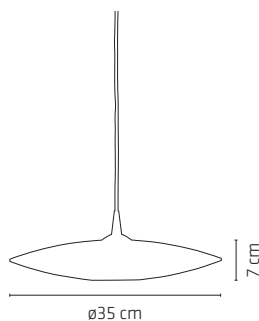

Specifications

Product name:	DARØ Galilei 35 P1
Type:	Pendant
Colour:	Matt white
Item no.:	D023842
EAN:	5709349023842
Width:	35 cm
Depth:	35 cm
Height:	7 cm
Watt-Socket-Volt:	40W - G9 - 240V
Light source:	Excluded (retrofit)
Installation:	IP20, class II, 3m transparent cable, w/canoppy

Colours

- D023842 Matt white
